

Small tap big change

Steve is homeless.
You can help him get a bed
for the night and the support
he needs with a single tap.

ABOUT THE CAMPAIGN

Small tap, big change is a ground-breaking initiative aiming to combat challenges associated with homelessness exclusively in Hammersmith and Fulham launched by Hammersmith BID.

Money raised will go directly to local H&F homeless charities funding additional beds, hot meals, washing facilities, outreach services and life skills coaching.

HOW TO DONATE

You can find contactless devices in pubs, shops and office buildings across Hammersmith town centre where you can give fixed donations of £2 per tap. If you want to give more than £2 you can make donations of any value online.

THE CAMPAIGN

Look out for our contactless devices in pubs, shops and office buildings across Hammersmith where you can donate £2 with a simple tap.

You can also get involved now by clicking the button above and giving an online donation of any value.

Together we will make a positive difference for those facing challenges associated with homelessness in Hammersmith & Fulham.

The initiative is supported by United in Hammersmith & Fulham, and money raised will go directly to local homeless charities operating in the borough, helping to provide additional beds, hot meals, washing facilities, outreach services and life skills coaching.

CHARITIES INVOLVED

The charities that will benefit from Small tap, big change funding in 2019/20 are the Barons Court Project, Glass Door, St Andrew's Church and The Upper Room.
